

Analog Devices SigmaStudio®
SOFTWARE LICENSE AGREEMENT
Ver 20180918

This Software License Agreement (the "Agreement") is a legal agreement between Analog Devices, Inc., a Massachusetts corporation, with its principal office at One Technology Way, Norwood, Massachusetts, USA 02062 ("Analog Devices") and you (personally or on behalf of your employer, as applicable) ("Licensee" or "you") for the software and related documentation that accompanies this Agreement (the "SOFTWARE"). YOU AGREE THAT YOU ARE BOUND BY THE TERMS AND CONDITIONS OF THIS AGREEMENT BY DOWNLOADING, INSTALLING, COPYING OR USING THE SOFTWARE. IF YOU DO NOT AGREE, DO NOT DOWNLOAD, INSTALL, COPY OR USE THE SOFTWARE. YOU REPRESENT THAT YOU ARE OVER THE AGE OF 18 AND HAVE THE CAPACITY AND AUTHORITY TO BIND YOURSELF OR YOUR EMPLOYER, AS APPLICABLE, TO THE TERMS OF THIS AGREEMENT.

1. SOFTWARE LICENSE

A. Subject to your compliance with the terms and conditions of this Agreement, you are granted a non-exclusive, non-transferable, non-sublicensable license to internally use the SOFTWARE, solely for use with Analog Devices processors. You may distribute the processor libraries and software examples included in the SOFTWARE ("Processor Libraries"); provided that such distribution may only be made in object code form in your products which include Analog Devices processors. The SOFTWARE may not be used with any processors other than Analog Devices processors.

2. YOUR RESTRICTIONS, OBLIGATIONS AND DUTIES

A. Unless otherwise specified herein, (i) use of this SOFTWARE is restricted to the execution of the SOFTWARE on one personal computer at a time and (ii) you may not have more than one User concurrently access the SOFTWARE. The limitations on use of the SOFTWARE may be enforced by technological features of the SOFTWARE, such as limiting use to a specific computer (in the case of "Node Locked" licenses) or computers on the same Internet Protocol domain (in the case of "Corporate" licenses). The number of Users shall not exceed the number of Users provided for in the specific software license selected at the time of ordering the SOFTWARE. If you purchased an "Unlimited Corporate" license, there is no limitation on the number of Users and you may allow concurrent access to the SOFTWARE. As used in this Section 2(A) "User" means the specific individual employee(s) (and Consultants to the extent permitted under Section 6(K) below) that you authorize to use the SOFTWARE. In connection with any "Node Locked" license or any other license other than a "Corporate" license, you may redesignate the Users (i.e., transfer the User designation from a first employee or Consultant to a second employee or Consultant) only in the event that (i) the first employee is no longer your employee or (ii) the first Consultant ceases providing any services for you. In connection with a "Corporate" license, you may redesignate the Users regardless of whether (i) the first employee is no longer your employee or (ii) the first Consultant ceases providing any services for you.

B. You may make up to two (2) copies to be used only for backup or archival purposes. All copyright and other proprietary rights notices and legends shall be reproduced on the backup copies.

C. Use of the SOFTWARE may require use of a software license key, which is a serial number issued to you by or on behalf of Analog Devices to activate and use the SOFTWARE. The SOFTWARE may initially function for a limited amount of time after installation without use of a software license key, but after that limited period it may no longer function without activation of the SOFTWARE with a software license key. If you receive an evaluation software license key you agree that (1) the SOFTWARE has an expiration date (set by Analog Devices in its absolute discretion) and that Analog Devices is not obligated to permit further use of the SOFTWARE and (2) on or after the expiration date you may not be able to continue to access and/or use any data and/or files associated with your use of the SOFTWARE. Software license keys are the property of Analog Devices and constitute Confidential Information of Analog Devices pursuant to Section 6(G) below, and you agree to maintain the software license keys in strict confidence.

D. You may not sublicense, rent, lease, permit time-sharing, disclose or otherwise make available or transfer any portion of the SOFTWARE to any other party for any reason except as expressly authorized with respect to the distribution of Processor Libraries pursuant to Section 1(A) above. Upon discontinuation of use of the SOFTWARE or termination of this license, you agree to destroy all copies, including partial copies, of the SOFTWARE.

E. Except as may be necessary for integration of the Processor Libraries into your products which include Analog Devices processors (for which such Processor Libraries were designed to be used), you shall not disassemble, decompile, reverse engineer, copy, modify, alter, or create derivative works of the SOFTWARE (except and only to the extent that such activity is expressly permitted by applicable law notwithstanding this limitation).

F. The SOFTWARE may not be used, combined, merged and/or distributed with other software in any manner that would cause the SOFTWARE to become subject to terms and conditions which differ from those of this Agreement. Without limitation, you shall not use, combine and/or distribute the SOFTWARE in any manner that would cause the SOFTWARE, in whole or in part to become subject to any terms of an Excluded License. An "Excluded License" means any license, including licenses for "open source" code (such as defined by the Free Software Foundation), that requires as a condition of use, modification, and/or distribution of the software subject to such Excluded License, that such software or other software combined and/or distributed with such software be (i) disclosed or distributed in source code form; (ii) licensed for the purpose of making derivative works; or (iii) redistributable at no charge. Examples of Excluded Licenses include, without limitation, the GNU General Public License, the GNU Lesser General Public License, the Mozilla Public License and the Microsoft Reciprocal License. The restrictions of this section apply regardless of whether the SOFTWARE is intended or designed to run in an environment that includes software under an Excluded License. Any license, agreement or other document issued, entered into or granted by you that purports to apply any Excluded License to any portion of the SOFTWARE shall be null and void with regard to the SOFTWARE. Under no circumstances will Licensee offer, provide, distribute, or license any SOFTWARE under any form of Excluded License.

G. You acknowledge that use or distribution of the SOFTWARE may require you to obtain licenses to intellectual property or other consents from one or more third parties. You are responsible for obtaining any and all such required licenses or consents regarding the SOFTWARE. Without limitation, you are responsible for obtaining, maintaining and complying with third party licenses and consents in connection with any Industry Standard hereafter defined below (including related intellectual property rights) applicable to SOFTWARE. "Industry Standard" means any standard, protocol or specification that is promulgated by any standards development organization, consortium, trade association, special interest group, or like group or entity, for the purpose of widespread adoption. By way of non-limiting examples, industry standards and specifications may include without limitation technical specifications promulgated by organizations such as the International Telecommunications Union (ITU), International Standards Organization (ISO), International Electrotechnical Commission (IEC), 3'd Generation Partnership Project (3GPP), Moving Picture Experts Group (MPEG), World Wide Web Consortium (W3C), Internet Engineering Task Force (IETF), OpenFabrics Alliance, Open Mobile Alliance, UPnP Forum, USB Implementers Forum, Institute of Electrical and Electronics Engineers (IEEE), American National Standards Institute (ANSI), Telecommunications Industry Association (TIA), AUTomotive Open System Architecture (AUTOSAR), High-bandwidth Digital Content Protection (HDCP), High-Definition Multimedia Interface (HDMI), Digital Transmission Content Protection (DTCP), Digital Transmission Licensing Administrator (DTLA), and Ethernet POWERLINK Standardization Group (EPSPG). You shall defend, indemnify and hold Analog Devices and its affiliates and their respective licensors and suppliers, and each of their respective officers, directors, employees, representatives and agents (each an "Indemnified Party") harmless from and against any and all damages, fines, penalties, assessments, liabilities, costs and expenses (including reasonable attorneys' fees, costs and expenses) in the event that any claim is brought against an Indemnified Party arising or alleged to arise from (i) the use, distribution or other exploitation of the SOFTWARE or Third Party Software (as defined below) or (ii) your failure to obtain any required license or consent with respect to the SOFTWARE or Third Party Software.

H. If Analog Devices elects to make any update, upgrade or new version of the SOFTWARE ("Updates") available to you, such Updates shall be deemed to be SOFTWARE under this Agreement. If requested by Analog Devices, you shall only use the latest version of the SOFTWARE (including Updates). Analog Devices shall have no obligation to provide support or Updates of any kind.

I. You agree to pay Analog Devices all applicable fees arising in connection with this Agreement. All fees are due within thirty (30) days of the invoice date. Any late payments shall incur interest at the rate of one and one-half percent (1.5%) per month or the highest rate allowed under applicable law, whichever is less. You shall reimburse Analog Devices for all costs of collection. You shall pay all foreign, federal, state, municipal and other governmental excise, sales, use, property, customs, import, value added and other taxes, fees, levies and duties of any nature now in force or enacted in the future that are assessed upon or with respect to the SOFTWARE, but excluding taxes based on Analog Devices' net income.

J. To the extent there are any specifications and/or user manuals for the SOFTWARE, as an additional restriction under this Agreement (and in no way expanding any rights under this Agreement), the SOFTWARE may not be used in any manner that is inconsistent with such specifications and/or user manuals.

K. Licensee is responsible for the performance of any and all required tests or analysis necessary or appropriate for the determination of the suitability of the SOFTWARE.

L. SOFTWARE is copyrighted material owned or distributed under authority of Analog Devices and is protected by United States copyright law. Other copyright notice information may be set forth in (i) the SOFTWARE (and/or its documentation), (ii) the applicable SOFTWARE header or footer text, (iii) a text file located in the directory of the SOFTWARE, (iv) in connection with any Update of SOFTWARE or its documentation, and/or (vi) such other location customarily used. In no event shall Licensee remove any copyright or other intellectual property notice or other legend contained on or in copies of SOFTWARE or displayed by the SOFTWARE.

3. TERM AND TERMINATION

A. This Agreement is effective upon receipt of the SOFTWARE and shall continue for three (3) years, unless earlier terminated. This Agreement will automatically renew for additional one (1) year terms unless indicated otherwise in writing by either of the parties thirty (30) days prior to any renewal date.

B. Analog Devices may terminate this Agreement immediately in the event any assignment is made by you for the benefit of creditors, or if a receiver, trustee in bankruptcy or similar officer shall be appointed to take charge of any or all of your property, or if you file a voluntary petition under federal bankruptcy laws or similar state statutes or such a petition is filed against you and is not dismissed within sixty (60) days. This Agreement shall immediately automatically terminate in the event of any failure by Licensee to comply with any term or condition of this Agreement. In the event of termination or expiration (i) all licenses granted to Licensee immediately expire and (ii) Licensee must immediately cease using the SOFTWARE and the Repository (as defined in Section 4 below) and permanently delete all copies of the SOFTWARE and all of its component parts, including any backup or archival copies. The provisions of Sections 2(F), 2(G), 2(I), 3, 4(B)(c), 4(B)(e), 4(D)(d), 4(F) and 5-7, and such other terms which by their nature are intended to survive termination or expiration of the Agreement, shall survive any termination or expiration of this Agreement.

C. Analog Devices may terminate license grants to the SOFTWARE in-whole or in-part at any time with sixty (60) days written notice. In connection with termination by Analog Devices pursuant to this Section 3(C), Analog Devices shall refund a portion of the amounts paid pursuant to Section 2(I) of this Agreement (if any) for the affected portion of the SOFTWARE in an amount reflecting the value of the affected portion of the SOFTWARE as determined by Analog Devices in its sole discretion. The value of the SOFTWARE shall be depreciated on a three year straight-line basis.

4. SOFTWARE ADD-INS

A. Access to Repository. Analog Devices may allow you to access and use a software and documentation repository (the "Repository") for add-ins to the SOFTWARE ("Add-Ins"). You shall only access and use the Repository through the SOFTWARE, during the term of this Agreement and in accordance with the terms and conditions of this Agreement. Access and use of the Repository is limited to those features and functions Analog Devices makes available to you. You shall not use the Repository in any manner not expressly authorized by Analog Devices. You acknowledge and agree that Analog Devices may cease allowing access or use of the Repository at any time for any or no reason.

B. Uploading Licensee Add-Ins. Analog Devices may allow you to upload your Add-Ins ("Licensee Add-Ins") to the Repository. Any such uploading is subject to the following terms and conditions:

(a) Analog Devices may require that you use an upload key to enable you to upload Licensee Add-Ins to the Repository. Upload keys are the property of Analog Devices and constitute Confidential Information of Analog Devices pursuant to Section 6(G) below, and you agree that you will maintain the upload keys in strict confidence.

(b) It is your responsibility to ensure that the Licensee Add-Ins you upload comply with all applicable requirements, including those set forth in publishing guidelines that Analog Devices makes available to you from time to time, which may include but is not limited to posting on any Analog Devices webpages directed to the SOFTWARE and/or Add-

Ins (“Publishing Guidelines”). You shall (a) remove from the Repository any Licensee Add-Ins that become obsolete or otherwise are no longer current, (b) promptly resolve any errors in the Licensee Add-Ins including without limitation any compatibility issues with the SOFTWARE and (c) immediately remove from the Repository any Licensee Add-Ins that no longer comply with the requirements of this Agreement.

(c) You represent, warrant and covenant that (a) you have the right to upload and distribute the Licensee Add-Ins through the Repository, (b) the Licensee Add-Ins do not and will not infringe or misappropriate the intellectual property or other rights of any third party or Analog Devices, (c) the Licensee Add-Ins do not include any virus, worm or other malicious code, (d) the Licensee Add-Ins are compatible with the SOFTWARE and will not impair or interfere with its operation, (e) the Licensee Add-Ins do not include any encryption technology or other restricted technology, (f) the Licensee Add-Ins and their uploading, downloading, distribution, use or other exploitation complies with all applicable laws and regulations, (g) you will not upload anything to the Repository that is illegal, misleading, defamatory, indecent or obscene, invasive of personal privacy or otherwise objectionable and (h) you shall not upload any personally identifiable information or other personal information to the Repository.

(d) You acknowledge and agree that Analog Devices may remove any Licensee Add-In at any time for any or no reason.

(e) You hereby grant to Analog Devices and its affiliates a non-exclusive, irrevocable, perpetual, fully paid, royalty free, transferable, sub-licensable, worldwide right and license to use, reproduce, copy, display and distribute, in whole or in part, Licensee Add-Ins for use with the SOFTWARE. For the avoidance of doubt, the SOFTWARE generates output that may be incorporated into third party products (e.g., products developed by users of the SOFTWARE), and such output may incorporate Licensee Add-Ins.

C. Downloading and Using Downloadable Add-Ins. Analog Devices may also allow you to download Add-Ins from the Repository (“Downloadable Add-Ins”). Downloadable Add-Ins may be from Analog Devices or from third parties, and may only be useful for evaluation and not for commercial purposes. You acknowledge and agree that Downloadable Add-Ins are downloaded and used solely at your own risk, are provided “as is” without any representations, warranties or liability of any kind. Analog Devices (including its affiliates) shall have no liability or responsibility for the operation or performance of any Downloadable Add-Ins and shall not be liable for any damages, costs, or expenses, direct or indirect, arising out of the performance or failure to perform of any Downloadable Add-Ins. Analog Devices makes no assurances as to the quality or appropriateness of any Downloadable Add-In. If you have questions or concerns regarding any Downloadable Add-In you should contact the publisher of the Downloadable Add-In directly. If the Downloadable Add-In is only for evaluation purposes you can contact the publisher to inquire about receiving Downloadable Add-Ins under commercial terms. You acknowledge and agree that Analog Devices and its affiliates have no responsibility whatsoever with respect to any such transaction.

D. Add-In Licensing Terms and Conditions.

(a) Downloadable Add-Ins published by Analog Devices (or its affiliates) (“AD Add-Ins”) are deemed to be included in the definition of SOFTWARE hereunder, and are subject to the terms and conditions herein applicable thereto. In addition, if a license agreement is associated with an AD Add-In, that license agreement shall apply as well, and to the extent of any conflict between the terms of such AD Add-In license agreement and this Agreement, the AD Add-In license agreement shall control.

(b) Downloadable Add-Ins that are not AD Add-Ins are subject to separate software license agreements that are associated with the applicable Downloadable Add-In (“Add-In SLAs”). You agree to review and comply with all applicable Add-In SLAs prior to any downloading, use or distribution of the applicable Downloadable Add-In.

(c) You agree to associate an appropriate license agreement with each Licensee Add-In you upload to the Repository. Such license agreement shall make no representations, warranties or guarantees with respect to the SOFTWARE, its operation or otherwise.

(d) You acknowledge and agree that:

(i) When you enter into an Add-In SLA in connection with downloading or using the applicable Downloadable Add-

In (that are not AD Add-Ins) you are entering into the Add-In SLA with the publisher of the Downloadable Add-In and not with Analog Devices or any of its affiliates.

(ii) The publisher of each Downloadable Add-In is solely responsible for such Add-In. Analog Devices makes no warranty with respect to the Downloadable Add-In, has no liability whatsoever with respect to any Add-In and has no obligation whatsoever to furnish any maintenance and / or support services for the Add-In.

(iii) Analog Devices is not responsible for addressing any claims related to Downloadable Add-Ins or your downloading, use or distribution of Downloadable Add-Ins, including but not limited to: (a) product liability claims, (b) any claims that Downloadable Add-Ins fail to conform to any legal or regulatory requirement and (c) warranty or similar claims.

(iv) If a third party claims that any Downloadable Add-In or your downloading, use or distribution of any Downloadable Add-In infringes a third party's intellectual property rights, Analog Devices is not responsible for the investigation, defense, settlement and discharge of any such intellectual property infringement claim.

E. Repository Terms and Conditions Related to Third Party Services. Analog Devices may use the services and software of third parties in connection with uploading, downloading, storing and otherwise facilitating the operation of the Repository ("Third Party Services"). Third Party Services may include the use of the NuGet feed hosted at MyGet.org as may be revised and replaced from time to time. You agree to review and comply with all limitations, restrictions and other obligations with respect to the use of Third Party Services disclosed to you, including without limitation those available at <https://www.myget.org/policies/terms>.

F. Indemnification. You shall defend, indemnify and hold each Indemnified Party (as defined in Section 1(G) above) harmless from and against any and all damages, fines, penalties, assessments, liabilities, costs and expenses (including reasonable attorneys' fees, costs and expenses) in the event that any claim is brought against an Indemnified Party arising or alleged to arise directly or indirectly from (i) the uploading, downloading, use, distribution or other exploitation of any Licensee Add-Ins, (ii) your downloading, use, distribution or other exploitation of any Downloadable Add-Ins, (iii) your use of the Repository, (iv) any claim brought by a direct or indirect recipient or user of any Licensee Add-Ins, (v) any agreement between you and any third party with respect to the downloading, use, distribution or other exploitation of any Add-Ins and the failure or alleged failure to perform such agreement, and (vi) your failure to comply with any of your obligations under this Section 4.

5. DISCLAIMER OF WARRANTIES AND LIMITATIONS OF LIABILITY AND REMEDY

A. The SOFTWARE, Third Party Software, the Repository, Publishing Guidelines and Downloadable Add-Ins are provided to you on an "AS IS" basis. Analog Devices does not provide any warranty or make any representation, either express or implied, that the SOFTWARE, Third Party Software, the Repository, Publishing Guidelines or Downloadable Add-Ins meet your needs or expectations, that they will function as anticipated, or that their use will not infringe on the intellectual property or other proprietary rights of any third party. You assume the full responsibility for the selection, use and performance of the SOFTWARE, Third Party Software, the Repository, Publishing Guidelines and Downloadable Add-Ins. ANALOG DEVICES ON BEHALF OF ITSELF AND ITS AFFILIATES AND THEIR RESPECTIVE LICENSORS, DISCLAIMS ALL REPRESENTATIONS, GUARANTEES AND WARRANTIES TO YOU OR ANY THIRD PARTY, WHETHER EXPRESS OR IMPLIED, ORAL OR WRITTEN, WITH RESPECT TO THE SOFTWARE, THIRD PARTY SOFTWARE, THE REPOSITORY, PUBLISHING GUIDELINES OR DOWNLOADABLE ADD-INS AND/OR ANY RELATED INFORMATION, ADVICE AND/OR SERVICES (INCLUDING WITHOUT LIMITATION ANY SUPPORT AND/OR MAINTENANCE SERVICES), INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE (INCLUDING WITHOUT LIMITATION YOUR PURPOSE OR SYSTEM INTEGRATION), ACCURACY OF INFORMATIONAL CONTENT, QUIET ENJOYMENT, TITLE AND NON-INFRINGEMENT, AND SUCH WARRANTIES ARE EXPRESSLY DISCLAIMED. YOU AGREE THAT ANY EFFORTS BY ANALOG DEVICES OR ITS AFFILIATES TO MODIFY OR UPDATE SOFTWARE, THIRD PARTY SOFTWARE, THE REPOSITORY, PUBLISHING GUIDELINES OR DOWNLOADABLE ADD-INS SHALL NOT BE DEEMED A WAIVER OF THESE LIMITATIONS. There is no obligation to provide support or updates.

B. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, YOU FURTHER AGREE THAT ANALOG DEVICES AND ITS AFFILIATES AND THEIR RESPECTIVE LICENSORS SHALL NOT BE LIABLE TO YOU OR ANY THIRD PARTY FOR ANY INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE, EXEMPLARY, CONSEQUENTIAL OR ANALOGOUS DAMAGES OF ANY KIND (INCLUDING WITHOUT LIMITATION ANY DAMAGES RESULTING FROM

LOSS OF USE, DATA, REVENUE, PROFITS, OR SAVINGS, BUSINESS INTERRUPTION, DOWNTIME, COMPUTER OR OTHER PROPERTY DAMAGE OR ANY OTHER CAUSE), UNDER ANY LEGAL THEORY (INCLUDING WITHOUT LIMITATION CONTRACT, WARRANTY, TORT, NEGLIGENCE, STRICT OR PRODUCT LIABILITY), EVEN IF IT HAS BEEN INFORMED OF THE POSSIBILITY OF SUCH DAMAGES OR WAS GROSSLY NEGLIGENT. THE FOREGOING DISCLAIMER OF LIABILITY SHALL APPLY WITHOUT LIMITATION TO DAMAGES ARISING FROM OR RELATED TO THIS AGREEMENT, THE SOFTWARE, THIRD PARTY SOFTWARE, THE REPOSITORY, PUBLISHING GUIDELINES, DOWNLOADABLE ADD-INS AND/OR ANY RELATED INFORMATION, ADVICE AND/OR SERVICES (INCLUDING WITHOUT LIMITATION ANY SUPPORT AND/OR MAINTENANCE SERVICES).

C. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE AGGREGATE LIABILITY OF ANALOG DEVICES IN CONNECTION WITH THIS AGREEMENT, THE SOFTWARE, THIRD PARTY SOFTWARE, THE REPOSITORY, PUBLISHING GUIDELINES, DOWNLOADABLE ADD-INS AND/OR ANY RELATED INFORMATION, ADVICE AND/OR SERVICES (INCLUDING WITHOUT LIMITATION ANY SUPPORT AND/OR MAINTENANCE SERVICES) SHALL NOT EXCEED THE GREATER OF (1) ONE HUNDRED U.S. DOLLARS (\$100.00 U.S.) OR (2) THE AMOUNT PAID TO ANALOG DEVICES FOR THE RIGHTS GRANTED HEREUNDER, REGARDLESS OF WHETHER SUCH LIABILITY ARISES BY CONTRACT, WARRANTY, TORT (INCLUDING NEGLIGENCE), STRICT OR PRODUCT LIABILITY OR ANY OTHER BASIS. AN ESSENTIAL PURPOSE OF THE LIMITATION ON DAMAGES PROVIDED IN THIS SECTION IS THE ALLOCATION OF RISKS BETWEEN YOU AND ANALOG DEVICES, AND YOU ACKNOWLEDGE THAT ANALOG DEVICES WOULD NOT HAVE BEEN WILLING TO LICENSE THE SOFTWARE OR PROVIDE ACCESS TO OR USE OF THE REPOSITORY IN THE ABSENCE OF THE LIMITATIONS SET FORTH IN THIS SECTION.

D. Some jurisdictions do not permit the exclusion or limitation of liability for consequential, incidental or other damages, and, as such, some portion of the above limitations may not apply to you. In such jurisdictions, Analog Devices' and its licensor's liability is limited to the greatest extent permitted by law.

E. THE SOFTWARE IS NOT DESIGNED OR INTENDED FOR USE IN HAZARDOUS ENVIRONMENTS REQUIRING FAIL-SAFE PERFORMANCE, INCLUDING, WITHOUT LIMITATION, IN THE OPERATION OF NUCLEAR FACILITIES, AIRCRAFT NAVIGATION OR CONTROL SYSTEMS, AIR TRAFFIC CONTROL, LIFE SUPPORT MACHINES, WEAPONS SYSTEMS, OR ANY OTHER APPLICATION IN WHICH THE FAILURE OF THE SOFTWARE COULD LEAD TO DEATH, PERSONAL INJURY OR SEVERE PHYSICAL OR ENVIRONMENTAL DAMAGES ("HIGH RISK ACTIVITIES"). SOFTWARE IS NOT DESIGNED OR WARRANTED TO BE SUITABLE FOR USE IN CONNECTION WITH HIGH RISK ACTIVITIES. USE OF SOFTWARE IN CONNECTION WITH HIGH RISK ACTIVITIES IS UNDERSTOOD TO BE FULLY AT LICENSEE'S RISK.

F. IN NO EVENT WILL ANALOG DEVICES' AFFILIATES OR ANY SUPPLIER OF ANALOG DEVICES OR ITS AFFILIATES HAVE ANY LIABILITY FOR ANY DAMAGES WHATSOEVER.

G. The parties acknowledge and agree that the disclaimers and limitations of liability contained in this Agreement shall apply regardless of the availability, success or effectiveness of any remedies, are reflected in fees charged (if any), represent an agreed allocation of risk between the parties, and are essential elements of the basis of the bargain between them.

6. GENERAL

A. This Agreement constitutes the entire, final, and complete agreement between the parties hereto relevant to the subject matter hereof, and supersedes any and all other agreements, either oral or in writing, between the parties with respect to the subject matter of this Agreement. Any term or condition incorporated in your purchase order(s) or any other document provided by you to Analog Devices which is in any way different from, inconsistent with or in addition to the terms and conditions set forth herein shall be of no effect, shall not apply to the licensing of SOFTWARE or the Repository, and shall not become a part of a contract between the parties or be binding upon Analog Devices. Analog Devices' failure to object to terms contained in any communication from Licensee shall not be an acceptance of such terms or a waiver of the terms set forth in this Agreement. No waiver, consent, modification or change of terms of this Agreement shall bind either party unless in writing signed by both parties, and then such waiver, consent, modification or change shall be effective only in the specific instance and for the specific purpose given. If any provision of this Agreement is unenforceable or invalid, such provision shall be enforced to the extent possible under applicable law, and the remaining provisions shall remain in

effect. For the avoidance of doubt, all SOFTWARE under this Agreement is subject to the terms and conditions of this Agreement and not any agreement or terms for purchase of Analog Devices products, even if the SOFTWARE is delivered with such products.

B. You shall only use the SOFTWARE, the Repository, Publishing Guidelines and Downloadable Add-Ins in compliance with all applicable laws and regulations, including without limitation export control laws. You agree that you will not directly or indirectly export the SOFTWARE or any Downloadable Add-Ins to another country except in full compliance with all applicable United States Federal Laws and Regulations and other laws and regulations relating to exports and imports. You will not export/re-export, directly or indirectly, any software, information or technical data acquired under this Agreement or the "direct product" thereof to any country for which the United States Government or any agency thereof, at the time of export, requires an export license or other governmental approval, without first obtaining such license or approval. The term "direct product" as used herein means the immediate product (including processes and services) produced directly by the use of the technical data or information. In addition to the above, the SOFTWARE and Downloadable Add-Ins and/or any "direct product" thereof, may not be used by, or exported, transferred or re-exported to (i) any U.S. or U.N. or EU-sanctioned or embargoed country, or to nationals or residents of such countries; (ii) any person, entity, organization, or other party identified on the U.S. Department of Treasury's lists of "Specially Designated Nationals and Blocked Persons" (iii) any associations, individuals, companies, entities, organizations found in the U.S. Department of Commerce's Table of Denial Orders or Entity List, as published and revised from time to time (collectively known as the "Denied Parties List" or "Prohibited Parties List"); and/or (iv) any unauthorized or prohibited end-user engaged in any prohibited activities related to weapons of mass destruction, including without limitation, activities related to the design, development, production or use of nuclear weapons, materials, or facilities, missile or the support of missile projects, and chemical or biological weapons. You understand that the foregoing obligations are legal requirements and agree that they shall survive any expiration or termination of this Agreement.

C. Title to the SOFTWARE, the Repository and Publishing Guidelines and all copies and portions thereof shall remain in Analog Devices and its affiliates and their respective licensors, and you only purchase the limited license set forth in this Agreement. All rights not expressly granted in this Agreement are reserved to Analog Devices and its licensors. Analog Devices and its licensors retain all right, title and interest in the SOFTWARE, the Repository and Publishing Guidelines and modifications of any of the foregoing, including all related copyright and other intellectual property and proprietary rights, and you shall not take any action inconsistent with such ownership. Any use of the SOFTWARE, the Repository and/or Publishing Guidelines for any purpose other than as expressly permitted hereunder is outside the scope of this Agreement. It is agreed that because of the proprietary nature of the SOFTWARE, the Repository and Publishing Guidelines, Analog Devices' remedies at law for a breach of this Agreement by you will be inadequate and that Analog Devices shall, in the event of such breach, be entitled to equitable relief, including injunctive relief, without the posting of any bond, in addition to all other remedies provided under this Agreement or available at law.

D. This Agreement is personal to you and you may not transfer, sublicense, lease, rent, delegate or assign your rights or obligations under this Agreement, and any such attempt shall be null and void. Analog Devices may assign, transfer, or sublicense this Agreement or any rights or obligations hereunder at any time in its sole discretion.

E. This Agreement and any dispute related to the SOFTWARE, the Repository, Publishing Guidelines and/or any Add-Ins, their use or any information, advice or services shall be governed by the laws of the Commonwealth of Massachusetts, United States of America, without reference to its principles of conflicts of laws, and, as to matters affecting copyrights, trademarks and patents, in addition, by applicable United States Federal Law. The parties agree that the jurisdiction and venue of any action with respect to this Agreement shall be in a court of competent subject matter jurisdiction located in Boston, Massachusetts, and each of the parties hereby agrees to submit itself to the exclusive jurisdiction and venue of such courts for the purpose of any such action, except that Analog Devices may seek equitable (including injunctive) relief and enforce judgements in any venue of its choosing. You hereby submit to personal jurisdiction in such courts. The parties hereto specifically exclude the United Nations Convention on Contracts for the International Sale of Goods and the Uniform Computer Information Transactions Act from this Agreement and any transaction between them that may be implemented in connection with this Agreement. The parties hereto waive any statute, law, or regulation that might provide an alternative law or forum or to have this Agreement written in any language other than English.

F. You may from time to time provide modifications, enhancements, improvements, code, suggestions, ideas, comments or other feedback ("Feedback") to Analog Devices and/or its affiliates related to the SOFTWARE, the Repository, Publishing

Guidelines and/or Add-Ins. You agree that all Feedback is and shall be given entirely voluntarily. To the extent you provide such Feedback, you (on behalf of yourself and your affiliates) hereby grant to Analog Devices and its affiliates a non-exclusive, irrevocable, perpetual, worldwide, royalty-free, transferable license, with the right to sublicense, under your (and your affiliates') intellectual property, to use and disclose Feedback in any manner Analog Devices or its affiliates choose, including without limitation displaying, performing, copying, making, having made, using, selling, and otherwise disposing of Analog Devices' and its affiliates and their respective licensees' products embodying such Feedback in any manner and via any media, without reference to its source or other obligation to you, even if the Feedback is designated as confidential.

G. Confidentiality.

(a) SOFTWARE and the Repository and any accompanying documentation, and any other information which a reasonable person would understand is of a confidential or proprietary nature, shall be deemed to be "Confidential Information" of Analog Devices whether or not it is identified in writing as "Confidential". Any other materials or information identified by Analog Devices as "Confidential" or with any similar notice shall also be treated as Confidential Information of Analog Devices under this Agreement. Analog Devices Confidential Information shall include without limitation software and information of Analog Devices and its affiliates and their respective suppliers and licensors.

(b) You shall protect the confidentiality of Analog Devices Confidential Information. Without limitation you agree: (i) not to disclose or otherwise permit any other person or entity access to, in any manner, Confidential Information, or any part thereof in any form whatsoever, except that such disclosure or access shall be permitted to an employee of yours (x) requiring access to Confidential Information in the course of his or her employment in connection with this Agreement, (y) who is subject to written confidentiality obligations at least as protective with respect to Confidential Information as the terms and conditions in this Agreement and (z) who complies with all other applicable provisions of this Agreement; (ii) to notify Analog Devices promptly and in writing of the circumstances surrounding any suspected possession, use or knowledge of Confidential Information other than those authorized by this Agreement; and (iii) not to use Confidential Information for any purpose other than as explicitly set forth herein.

(c) Nothing in this Section 6(G) shall restrict you with respect to information if such information: (i) was rightfully possessed by you before it was received from Analog Devices; (ii) is independently developed by you without reference to Confidential Information; (iii) is subsequently furnished to you by a third party not under any obligation of confidentiality with respect to such information, and without restrictions on use or disclosure; or (iv) is or becomes public or available to the general public otherwise than through any act or default of yours.

(d) Because the unauthorized use, transfer or dissemination of any Confidential Information may diminish substantially the value of such materials and may irreparably harm Analog Devices, if you breach the provisions of this Section 6(G), Analog Devices shall, without limiting its other rights or remedies, be entitled to equitable relief, including but not limited to injunctive relief.

H. Analog Devices shall have the right upon ten (10) days prior written notice to audit your compliance with the terms of this Agreement during normal business hours. In connection with such audit Analog Devices shall have access to all reasonably requested documents, equipment, information, networks, facilities and personnel. You shall maintain complete and accurate records of your use of the SOFTWARE for a period of at least three years from the applicable use of the SOFTWARE. If requested by Analog Devices, within ten business days of such request, you shall either (i) certify in writing that you are fully compliant with this Agreement or (ii) deliver a notice in writing stating all of the reasons why you are not fully compliant.

I. You shall comply with all laws, legislation, rules, regulations, governmental requirements and industry standards with respect to SOFTWARE, the Repository, Publishing Guidelines and Add-Ins, and the performance by you of your obligations hereunder, existing in any applicable jurisdiction. In the event that this Agreement is required to be registered with any governmental authority, you shall notify Analog Devices in writing and cause such registration to be made and shall bear any expense or tax payable in respect thereof.

J. Software provided with U.S. Government Restricted Rights. If the SOFTWARE or documentation provided by Analog Devices or its affiliates or their respective suppliers is procured by or on behalf of the United States Government, the Government agrees that such software or documentation is "commercial computer software" or "commercial computer software documentation" and that absent a written agreement to the contrary, the Government's rights with respect to such SOFTWARE or documentation are limited by the terms of this Agreement, pursuant to FAR § 12.212(a) and/or DFARS § 227.7202-1(a), as applicable.

K. You may utilize consultants or third party contractors (“Consultants”) solely for the purpose of assisting you with your internal use of (1) the SOFTWARE as permitted under Section 1(A) or (2) the Repository as permitted under Section 4. If you engage any Consultants, you shall:

(a) Obtain prior written approval from Analog Devices prior to any Consultant using the SOFTWARE or the Repository (as applicable) by emailing processor.tools.support@analog.com.

(b) Promptly cease using any Consultant at Analog Devices’ reasonable request. You agree that it would be reasonable for Analog Devices to request that you cease using any Consultant if, among other reasons, Analog Devices reasonably believes that the Consultant was infringing or misappropriating any Analog Devices intellectual property rights or if Analog Devices reasonably believes that the Consultant is unlikely to comply (or be able to comply) with the terms and conditions of this Agreement.

(c) Engage Consultants under a written agreement that obligates the Consultant to the same (or greater) obligations relative to SOFTWARE and the Repository as you agreed to under this Agreement prior to allowing the Consultant use or access to the SOFTWARE or the Repository.

(d) Notify Analog Devices in the event of any acts or omissions by the Consultant which if performed or not performed by you would be a breach of this Agreement.

(e) Specify that Analog Devices is a third party beneficiary of the agreement between you and the Consultant.

You agree that you are liable for any acts or omissions by the Consultant which, if performed or not performed by you, would be a breach of this Agreement.

L. Notwithstanding anything in this Agreement, You may not use any trademark or trade name of Analog Devices or make any public announcement regarding the existence of this Agreement without Analog Devices’ prior written consent. You may not publish or provide the results of any benchmark or comparison tests run on the SOFTWARE to any third party without the prior written consent of Analog Devices.

M. If requested by Analog Devices, you shall report to Analog Devices by emailing licensing@analog.com (or to such other address and frequency as reasonably specified by Analog Devices from time to time) within thirty (30) days of the end of each calendar quarter (i) the name of each of your products which contains any Processor Libraries or Downloadable Add-Ins, (ii) the name(s) of the Processor Libraries and/or Downloadable Add-Ins included in such products, (iii) the number of Analog Devices products included in each of your products, (iv) the quantity of such of your products you distribute and the number of instances of the Processor Libraries and/or Downloadable Add-Ins executing on each of your products and (v) such other information as Analog Devices may reasonably requested related to use of the SOFTWARE and Downloadable Add-Ins.

7. THIRD PARTY SOFTWARE

The SOFTWARE may be accompanied by or include software made available by one or more third parties (“Third Party Software”). Each portion of Third Party Software is subject to its own separate software license terms and conditions (“Third Party Licenses”). The Third Party Licenses for Third Party Software delivered with the SOFTWARE may be set forth or identified (by URL or otherwise) in (i) Appendix A to this license, (ii) the applicable software header or footer text, (iii) a text file located in the directory of the applicable Third Party Software component, (iv) software documentation, (v) in connection with any Update of SOFTWARE or its documentation, and/or (vi) such other location customarily used for licensing terms. The use of each portion of Third Party Software is subject to the Third Party Licenses, and you agree that your use of any Third Party Software is bound by the applicable Third Party License. You agree to review and comply with all applicable Third Party Licenses prior to any use or distribution of any Third Party Software. Third Party Software is provided on an “as is” basis without any representation, warranty or liability of any kind. Analog Devices shall have no liability or responsibility for the operation or performance of the Third Party Software and shall not be liable for any damages, costs, or expenses, direct or indirect, arising out of the performance or failure to perform of the Third Party Software. Analog Devices shall be entitled to the benefit of any and all limitations of liability and disclaimers of warranties contained in the Third Party Licenses.

With respect to Third Party Software subject to the GNU General Public License Version 2 (“GPL2”) distributed in connection herewith in object code or executable form and not distributed (as defined in GPL2) in source code form in connection with this Agreement, Analog Devices hereby offers, for a period of three years from the date of your receipt of the applicable Third Party Software, to give any third party, for a charge no more than the cost of physically performing

source distribution, a complete machine-readable copy of the corresponding source code, to be distributed on a medium customarily used for software interchange.

In the event that Third Party Software has only been provided to you in object code form under this Agreement, and the Third Party License requires distribution of the corresponding source code, you may contact software.licensing@analog.com regarding receiving a copy of such source code.

You agree not to sell, lease, or rent any part of the Work. This does not restrict you from including the Work or any part of the Work inside a larger software distribution that itself is being sold. The Work by itself, though, cannot be sold, leased or rented.

You may distribute the Executable Files and Source Code only under the terms of this License, and You must include a copy of, or the Uniform Resource Identifier for, this License with every copy of the Executable Files or Source Code You distribute and ensure that anyone receiving such Executable Files and Source Code agrees that the terms of this License apply to such Executable Files and/or Source Code. TERMS AND CONDITIONS FOR USE, REPRODUCTION, AND DISTRIBUTION

1. Definitions.

"License" shall mean the terms and conditions for use, reproduction, and distribution as defined by Sections 1 through 9 of this document.

"Licensor" shall mean the copyright owner or entity authorized by the copyright owner that is granting the License.

"Legal Entity" shall mean the union of the acting entity and all other entities that control, are controlled by, or are under common control with that entity. For the purposes of this definition, "control" means (i) the power, direct or indirect, to cause the direction or management of such entity, whether by contract or otherwise, or (ii) ownership of fifty percent (50%) or more of the outstanding shares, or (iii) beneficial ownership of such entity.

"You" (or "Your") shall mean an individual or Legal Entity exercising permissions granted by this License.

"Source" form shall mean the preferred form for making modifications, including but not limited to software source code, documentation source, and configuration files.

"Object" form shall mean any form resulting from mechanical transformation or translation of a Source form, including but not limited to compiled object code, generated documentation, and conversions to other media types.

"Work" shall mean the work of authorship, whether in Source or Object form, made available under the License, as indicated by a copyright notice that is included in or attached to the work (an example is provided in the Appendix below).

"Derivative Works" shall mean any work, whether in Source or Object form, that is based on (or derived from) the Work and for which the editorial revisions, annotations, elaborations, or other modifications represent, as a whole, an original work of authorship. For the purposes of this License, Derivative Works shall not include works that remain separable from, or merely link (or bind by name) to the interfaces of, the Work and Derivative Works thereof.

"Contribution" shall mean any work of authorship, including the original version of the Work and any modifications or additions to that Work or Derivative Works thereof, that is intentionally submitted to Licensor for inclusion in the Work by the copyright owner or by an individual or Legal Entity authorized to submit on behalf of the copyright owner. For the purposes of this definition, "submitted" means any form of electronic, verbal, or written communication sent to the Licensor or its representatives, including but not limited to communication on electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, the Licensor for the purpose of discussing and improving the Work, but excluding communication that is conspicuously marked or otherwise designated in writing by the copyright owner as "Not a Contribution."

"Contributor" shall mean Licensor and any individual or Legal Entity on behalf of whom a Contribution has been received by Licensor and subsequently incorporated within the Work.

2. Grant of Copyright License. Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable copyright license to reproduce, prepare Derivative Works of, publicly display, publicly perform, sublicense, and distribute the Work and such Derivative Works in Source or Object form.

3. Grant of Patent License. Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable (except as stated in this section) patent license to make, have made, use, offer to sell, sell, import, and otherwise transfer the Work, where such license applies only to those patent claims licensable by such Contributor that are necessarily infringed by their Contribution(s) alone or by combination of their Contribution(s) with the Work to which such Contribution(s) was submitted. If You institute patent litigation against any entity (including a cross-claim or counterclaim in a lawsuit) alleging that the Work or a Contribution incorporated within the Work constitutes direct or contributory patent infringement, then any patent licenses granted to You under this License for that Work shall terminate as of the date such litigation is filed.

4. Redistribution. You may reproduce and distribute copies of the Work or Derivative Works thereof in any medium, with or without modifications, and in Source or Object form, provided that You meet the following conditions:

(a) You must give any other recipients of the Work or Derivative Works a copy of this License; and (b) You must cause any modified files to carry prominent notices stating that You changed the files; and

(c) You must retain, in the Source form of any Derivative Works that You distribute, all copyright, patent, trademark, and attribution notices from the Source form of the Work, excluding those notices that do not pertain to any part of the Derivative Works; and

(d) If the Work includes a "NOTICE" text file as part of its distribution, then any Derivative Works that You distribute must include a readable copy of the attribution notices contained within such NOTICE file, excluding those notices that do not pertain to any part of the Derivative Works, in at least one of the following places: within a NOTICE text file distributed as part of the Derivative Works; within the Source form or documentation, if provided along with the Derivative Works; or, within a display generated by the Derivative Works, if and wherever such third-party notices normally appear. The contents of the NOTICE file are for informational purposes only and do not modify the License. You may add Your own attribution notices within Derivative Works that You distribute, alongside or as an addendum to the NOTICE text from the Work, provided that such additional attribution notices cannot be construed as modifying the License.

You may add Your own copyright statement to Your modifications and may provide additional or different license terms and conditions for use, reproduction, or distribution of Your modifications, or for any such Derivative Works as a whole, provided Your use, reproduction, and distribution of the Work otherwise complies with the conditions stated in this License.

5. Submission of Contributions. Unless You explicitly state otherwise, any Contribution intentionally submitted for inclusion in the Work by You to the Licensor shall be under the terms and conditions of this License, without any additional terms or conditions.

Notwithstanding the above, nothing herein shall supersede or modify the terms of any separate license agreement you may have executed with Licensor regarding such Contributions.

6. Trademarks. This License does not grant permission to use the trade names, trademarks, service marks, or product names of the Licensor, except as required for reasonable and customary use in describing the origin of the Work and reproducing the content of the NOTICE file.

7. Disclaimer of Warranty. Unless required by applicable law or agreed to in writing, Licensor provides the Work (and each Contributor provides its Contributions) on an "AS IS" BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, either express or implied, including, without limitation, any warranties or conditions of TITLE, NON-INFRINGEMENT, MERCHANTABILITY, or FITNESS FOR A PARTICULAR PURPOSE. You are solely responsible for

determining the appropriateness of using or redistributing the Work and assume any risks associated with Your exercise of permissions under this License.

8. Limitation of Liability. In no event and under no legal theory, whether in tort (including negligence), contract, or otherwise, unless required by applicable law (such as deliberate and grossly negligent acts) or agreed to in writing, shall any Contributor be liable to You for damages, including any direct, indirect, special, incidental, or consequential damages of any character arising as a result of this License or out of the use or inability to use the Work (including but not limited to damages for loss of goodwill, work stoppage, computer failure or malfunction, or any and all other commercial damages or losses), even if such Contributor has been advised of the possibility of such damages.

9. Accepting Warranty or Additional Liability. While redistributing the Work or Derivative Works thereof, You may choose to offer, and charge a fee for, acceptance of support, warranty, indemnity, or other liability obligations and/or rights consistent with this License. However, in accepting such obligations, You may act only on Your own behalf and on Your sole responsibility, not on behalf of any other Contributor, and only if You agree to indemnify, defend, and hold each Contributor harmless for any liability incurred by, or claims asserted against, such Contributor by reason of your accepting any such warranty or additional liability.
